Power Sockets series

Model: 01# Multiple adapter equipped with 3 "European Standard" sockets, 5 "USB-A QC3.0 18W" ports and one "USB-C PD 20W" port.

3000W
HIGH POWER

High Power

This multi-adapter is capable of providing a total power of 3000W.

USB-A QC3.0 18W

The device is equipped with 5 USB-A QC3.0 18W ports.

PD

USB-C PD 20W

The device is equipped with USB-C PD 20W port.

3 Ports "Europe Standard"

The device is equipped with 3 "European Standard" sockets.

Protection Circuit

The device is equipped with a protection circuit against current surges.

Euro Plug

The device is equipped with a "European Standard" plug.

2 Meters of Energy

The device is equipped with extensive wiring capable of powering your devices everywhere.

100% Certificate

The device is covered by all necessary certifications.

6 Port
